

OPC Toolbox Update Description Version 3.04 (07/15/2001)

Common Files

OPC Demo Serverapplication

The server application is fully based on the version 3.04 of the OPC C++ Toolkits. The server is fully OPC DA V2.04 compliant and has been verified by using the Data Access Compliance Test Client of the OPC Foundation.

OPC Demo Clientapplication

The functionality of the OPC Toolbox Demo Client was enhanced significantly and is now based on version 3.04 of the OPC C++ Toolkits.

Online Help

Solved the MSDN integration problems on some operating systems (German Windows 2000, Windows ME). Some spelling errors in the Online help have been corrected.
