

What is new in OPC Toolbox Version 4.00

New version 4.00 of the OPC Toolkits contains amongst other things

- New OPC XML-DA Server toolkit for Windows and Linux according to the OPC XML-DA specification V1.00. The programming interface for Windows and Linux is identical.
- The OPC web service can be accessed over Apache, Microsoft IIS or directly without additional web server.
- Now one OPC server can be implemented supporting the OPC DA V3.0, OPC AE V1.10 and OPC XML DA V1.00 specifications.
